SANTA BARBARA AREA CHAPTER AMERICAN PAYROLL ASSOCIATION

The Santa Barbara Area Chapter American Payroll Association is an independent local affiliate of the American Payroll Association which shares the goals and supports the initiatives of the American Payroll Association. As an independent affiliate, the local chapter does not pay dues to or have any direct financial relationship with the American Payroll Association.

SANTA BARBARA AREA CHAPTER GOALS

To provide services to the area's American Payroll Association members and other payroll professionals that complement the activities of the American Payroll Association.

To provide additional services, information, and education regarding local payroll issues and concerns not covered by the American Payroll Association, such as state and local legislation, regulations and taxation issues.

To provide a support network of payroll professionals willing to share their knowledge and experience with others.

BENEFITS OF MEMBERSHIP IN THE LOCAL CHAPTER

Regularly scheduled meetings provide a venue to network and establish friendships with fellow payroll professionals.

Meetings offer a wonderful opportunity for members to learn about issues affecting payroll in their area as well as exchange information and professional knowledge.

The local Chapter provides education in issues affecting payroll through speakers and presentations at scheduled meetings as well as other special events.

The local Chapter also provides support in obtaining Fundamental Payroll Certification (FCP) or Certified Payroll Professional (CPP) certification from the American Payroll Association. The Chapter also provides Recertification Credit Hours (RCH) for participation at meetings with qualifying presentations. These RCH's help FCP's and CPP's maintain their certification.

Chapter Membership Dues are \$50 per year, renewable on May 1st each year.
